destination, transit times and services

How to use these tables:

Choose your destination and preferred service.
 Using this table, find the zone that your destination is in and how many days it will take for your shipment to be delivered.
 All delivery times are calculated in working days and stated for major cities.
 Delivery times are subject to customs clearance.
 Using the prices in the rate agreement, see how much your shipment will cost for your chosen service.
 Contact your local Customer Services department for other destinations that may not be listed above, and more precise information.
